

# OUR YEAR 21/22

## What we do:

We empower people affected by homelessness and poverty to change their lives for the better whilst using our voice to achieve social change. We do this by providing a community of affordable and safe homes, meaningful work experience and training through our social enterprises, which in turn provide social and environmental value for our local community.

"Emmaus gives people respite, a reason and a purpose. I'm receiving one hundred percent of the support I need from Emmaus and I'm a different person now."

Rich, current Emmaus Bristol companion

# FUTURE PLANS

**Build or acquire more new homes for people in housing need.**

**Transform our social enterprises to provide a higher level of training and support to Companions.**

**Provide work experience and training opportunities to others in need of work skills; non-residential Companions.**

**Restructure our staff and board team and improve decision making and governance processes in order to support our growth.**

**Build on the structured support work developed over the last four years by moving towards an organisation-wide trauma informed approach.**
